

# WELCOME TO SCHOOL

**Dated: 01-04-25**

The first day of school is always a memorable experience, full of anticipation and excitement. Many students feel a mix of excitement and nervousness as they enter the school building for the first time. The first day of school is often about meeting new classmates and forming friendships.

On Tuesday, April 1, 2025, the new session began with the recitation of Sri Japji Sahib Path in the school hall to seek the blessings of the Almighty. One by one, all the students visited with their teachers, and Karah Prashad was distributed among all.

To make it a memorable and fun experience, a hand-printing activity was organized for the children. They painted their hands with washable paint and made an imprint on a piece of paper, creating a unique and memorable keepsake.
